PROCEDURE

Residence Halls and University Villages

Smoking is prohibited in all areas except a student's private living space. An air purification device(s) may be required in the student's private living space if the volume of smoke or odors permeates the public areas adjacent to the room. Students may provide their own air purification device, or will be provided with one by the Residence Life Office, with an appropriate fee and deposit charges.

SOME RESIDENCE HALLS ARE DESIGNATED AS NON-SMOKING BUILDINGS THUS SMOKING IS NOT PERMITTED IN ANY PRIVATE LIVING SPACE OR PUBLIC AREA IN THESE BUILDINGS.

IMPLEMENTATION

Enforcement of this policy shall be the responsibility of the Office of Public Safety. Persistent violators can be reported to the Director of Human Resources, and the Dean of Students for appropriate personnel policy or student conduct code action. Placement of signs and receptacles for smoking materials outside buildings shall be the responsibility of Facilities Services.

Educational information is distributed and smoking cessation programs are available to faculty and staff through the Wellness Program and to students through the Curry Health Center.
